

ANNIVERSARY EDITION

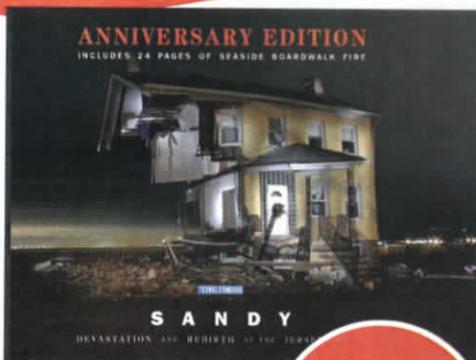

SANDY

INCLUDES 24 PAGES OF SEASIDE BOARDWALK FIRE

Hardcover, 200 pages,
archival quality.

It has been nearly a year since Superstorm Sandy rocked the Jersey Shore. Through the tragedies and triumphs, the residents and loyal visitors of our shore have remained resilient.

No one could have imagined that our beloved Seaside Boardwalk would be hit with a formidable fire. The images of the boardwalk ablaze will not soon be forgotten. Due to the demand for the hard cover edition of Sandy: Devastation and Rebirth at the Jersey Shore, we have gone back to press and included an additional 24 pages of the stunning images that captured the recent Seaside Fire.
