STORM WATER COLLECTION

**Learn how to use and build a rain barrel
for storm water collection reducing the
amount of storm water and
pollutants running into the bay.**

WHO: Joanna Marino

Ms. Marino is the AmeriCorp Watershed Ambassador and a member of the Barnegat Bay Partnership

WHEN: 7 pm Wednesday, April 9

**WHERE: Seaside Park Council Chambers
5th and Central Avenues**

Join us for an interesting discussion on how to best use rain water. If participants are interested the Environmental Committee will sponsor a “Build a Rain Barrel” event providing supplies.
