

BOROUGH OF SEASIDE PARK

PLANNING BOARD

PLEASE TAKE NOTICE, pursuant to the New Jersey Open Public Meetings Act, N.J.S.A.10:4-6 et.seq., that the Borough of Seaside Park Planning Board will hold a hearing to consider the adoption of the Strategic Recovery Planning Report to the Borough's Master Plan during their 2015 re-organization meeting that has been re-scheduled for 6:30 p.m. on Tuesday, February 10, 2015, in the second floor Borough Council Meeting Room, located at Sixth & Central Avenues, Seaside Park, NJ.

The Strategic Recovery Planning Report describes the impacts of Superstorm Sandy on the Borough, and provides recommendations for improving the Borough's mitigation of and response to the impact of future storms and sea-level rise. The recommendations also includes updates to planning documents, ordinances, and emergency-response practices, as well as improvements to the infrastructure. Additionally, adoption of the Strategic Recovery Planning Report will make the Borough eligible for non-competitive grant funding through the New Jersey Department of Community Affairs' Post-Sandy Planning Assistance Grant (PSPAG) program for preparing and updating the Borough's planning documents and ordinances to better address storm mitigation. Preparation of this Report was funded entirely through the PSPAG program, and conducted in accordance with the Municipal Land Use Law and the Post-Sandy Planning Assistance Grant regulations.

The Strategic Recovery Planning Report is on file in the office of the Municipal Clerk, located at 1701 North Ocean Avenue, Seaside Park, NJ 08752, and is available for inspection during normal business hours 8:00 am to 4:00 pm Monday through Friday.

The public will be given the opportunity to comment on the proposed Master Plan amendment at this meeting. Please note that formal action may be taken by the Planning Board.
