E-mail: administrator@seasideparknj.org

WELCOME SUMMER 2015!

As we prepare to enjoy the summer season, with all SEASIDE PARK has to offer, let me introduce you to some new additions for 2015.

- New this season for your convenience, is the use of credit cards at the beach badge sales office. All major credit cards (except American express) are accepted for all purchases.
- Also new this year, you can order your beach badges online through our Borough's website. @www.seasideparknj.org. You may pick them up at Beach Control Headquarters (located on the boardwalk at N Street and North Ocean Avenue) by using the receipt on your smart phone or by bringing in a paper receipt.
- Also available for rent, are beach chairs and beach umbrellas. They too can be reserved for your use, via our borough's website @www.seasideparknj.org and picked up at Beach Control Headquarters. The rentals will be permitted on our ocean beach from Stockton Avenue to N Street.
- Please come visit our new four refreshment pavilions located at various beach locations. Ice cream and bottled water are available for purchase at these stands.
- A big thank you to DPW employees Mitch and Skip for constructing the pavilions.
- We are very excited to announce that coming soon will be the availability to pay your water/sewer and tax bills online through our Borough's website @www.seasideparknj.org thru WIPP. Please stay tuned as more information about WIPP will be posted.

Congratulations to the 2015 Seaside Park Community Emergency Response Team!

Clerk's Office

Borough Clerk: Karen Barna

Melissa Vecchiarelli

Office Location: 1701 N. Ocean Ave.

Office Hours: Monday—Friday 8am-4pm

Phone # 732-793-3700

Email: clerk@seasideparknj.org

This time of year, Mayor Matthies and the Borough Council members are busy finalizing the Summer season activities and events in town. If you are planning to have an event held in Seaside Park, you will need to fill out a "Use of Borough Facility" form. The forms are available on the Borough website @www.seasideparknj.org or at the Borough Office located at 1701 N Ocean Ave.

April 23rd was bring your child to work day. Several borough employees brought their children to work. Melissa (Administration & Recreation) brought her two sons, Nick and John. (pictured to the right)

Kathy, Lisa and Laura, from the Municipal Court, brought their children. Alivia, Branden, Jamie Lynn and Phoebe (pictured to the right).

All the children were given a tour of the Police Department, which included finger printing by Police Officers, Tony and Destinee pictured with the children.

Mayor Matthies and Karen Barna at the 2015 Memorial Day Service.

Marina

Marina Coordinator: John Kleva

Located: Marina Operations-J Street

Phone #848-992-6085

Marina Collections

Located: 1701 N Ocean Avenue

Phone # 732-793-3700

Hours: Wednesday—Friday 8am-4 pm

Old Man Winter was not very kind to the Municipal Marina this year. The extreme cold temperatures that seemed to last forever caused ice to form in the harbor up to six inches thick. When this ice forms around the pilings and the tides rise and fall it actually pulls the pilings out of the bottom of the harbor. By running up to 45 Ice Eaters we were able to minimize the damage in past years but this winter's cold temperatures got the better of us and we had to reset 28 pilings, many more than usual.

Even though we didn't think the warm weather would ever arrive it finally has and

the boats are starting to return to their slips. Based on sales it seems like this will be another very successful year with many boaters returning for the 2015 season.

If you drive or walk through the marina you will notice that we are in the midst of a construction project. The building that is being assembled will house our new office, bathrooms, showers, and storage garage. It will replace the "temporary" structures that have been in place since the year 2002 when the marina was taken over by the town. This project was delayed for 4 years for various reasons including Super Storm Sandy but is now scheduled to be completed by June.

The USCG Auxiliary will again be at the marina to perform their annual boat safety inspections sometime in early July. We will announce the exact date on our banner that is located at the marina entrance when our plans are finalized. You do not have to be a marina customer to take advantage of this service, just bring your vessel into the marina on that date and the Auxiliary members will be happy to accommodate you. This is a courtesy service. If the Auxiliary finds anything deficient on your vessel they will inform you, there is no penalty. It might save you from receiving a citation from the USCG or the NJ Marine Police and spoiling your day on the water.

Just a reminder, if you find that your trailered boat, trailered PWC, or empty boat trailer is consuming some valuable space in your yard this summer the marina will store them for you for a very reasonable fee. Just stop by the marina office or call (848) 992 6085 and we will make all the necessary arrangements.

We hope you enjoy the 2015 boating season whether it be fishing, towing tubes or skiers, sailing, or just cruising. Please remember to keep safety first and be courteous to your fellow boaters.

Tax Assessor

Dennis Raftery, Tax Assessor

Located: 1701 N Ocean Ave

Phone #732-793-3700

Hours:

Wednesdays 9am to Noon

Municipal Court

Court Administrator: Kathy Smith

Located: 6th and Central Avenue

Hours: Mon—Fri 8am— 4 pm

Purchasing Assistant—Harold Brownfield

Office Location: 1701 N. Ocean Avenue

Office Hours: Monday– Friday 8am-4pm

Phone # 732-793-3700

The 2015 Municipal Budget has been adopted and accepted by the State of New Jersey. Again this year is no tax increase on the municipal part of the budget.

The Annual Municipal Audit has been completed. Thank you, to all the Department heads for their assistance.

Sandy brought her son John to work on April 23rd also. He spent the day helping in the office. John along with his sister Jackie, will graduate from high school this year.

Police Department

Chief Murphy Larkin

Located : 6th & Central Avenue

Hours: 24 hours a day

Records: Mon- Fri: 8am-4pm

Phone # 732-793-8000

Another summer is upon us. After a long, harsh winter it is certainly good to feel the warmth and excitement of the season once again. As the “family resort” comes back to life, so do some issues that may interfere with the enjoyment of our beautiful town. The Seaside Park Police Department is committed to doing its best to prevent, or put an end to, quality of life issues that may interfere with one's peace and welfare. Our

priorities from past years still hold true today; to make sure residents and visitors get the most enjoyment out of our small piece of paradise as possible.

Over the summer the Seaside Park Police P.B.A. 182 will once again be hosting the children's fishing tournaments on the 5th Avenue Pier. Last year we had almost 80 children registered on several tournament days.

The tournaments will be on Mondays from 9 am through 11 am. The first tournament is July 6th the last is August 31st. Hot dogs, hamburgers, water, prizes and trophies will be provided to our young participants. The two age groups are from 0 to 7 years old and 8 to 15 years old. Please check out the Seaside Park official website for any changes to the schedule. Come join us and have some fun!!

The Seaside Park Police P.B.A. 182 will continue to support the Seaside Park Drive-in Movie Nights on the marina lawn. The P.B.A. will be set up at the drive-in supplying moviegoers with all necessary movie items, i.e. popcorn, cotton candy, drinks. Movies will begin in July and run through August. Please check the Seaside

Park official website for the movie schedule.

The Seaside Park Police Neighborhood Watch Program is now approximately 300 members strong. We are still signing up new members on a weekly basis. Our dedicated members have gained many hours of educational training at our monthly meetings. They have learned about all the different aspects of law enforcement and how they can help their community stay safe. Their help to our police department over the years is invaluable.

If you would like to join the Neighborhood Watch Program, please visit seaside-parknj.org and follow the link for Neighborhood Watch. It's lots of fun and you will make big difference in your community.

Have a happy and safe summer!!!

Public Works Department & Water and Sewer Department

Public Works: Eric Wojciechowski

Water Superintendent: Joe Walker

Located: 1201 Barnegat Avenue

Hours: Mon– Fri 7:00– 3:30

Phone #732-793-3700

Water & Sewer superintendent:

Joe Walker

Located: 1201 Barnegat Avenue

Hours: Mon– Fri 7:00am– 3:30pm

Phone #732-793-3700

The Department of Public Works was very busy this past spring getting the entire town ready for the Summer Season. The Beaches and Bayfront have been cleaned and all Lifeguard Stands and Beach Badge Boxes were painted and repaired as needed. They have been placed at various locations on the beach and boardwalk.

Garbage collections are twice a week and recycling collections are once a week. Check the Borough website for the garbage & recycling schedules @www.seasideparknj.org.

The Department of Water and Sewer would like to remind residents, if you notice a rotten egg smell from your water, there are a couple things that you can do to help minimize this effect.

The smell can originate from hydrogen sulfide gas in softened water and can be from a number of sources. However, due to the smell being from the hot water, it is likely in your hot water heater. The sulfur smell in hot water heaters typically originates because of two reasons:

- The warm environment creates a perfect environment for sulfur bacteria.
- A reaction between the parts in the hot water heaters known as an anode rod and the sulfate in the water. The anode rod attracts the corrosive agents in the water heater to deteriorate itself, instead of the water heater.

You may want to first remove and replace the anode rod to see if that alleviates the problem. Typically it can be removed by turning off the water, releasing the pressure, unscrewing the plug and replacing the old part with the manufacturer's recommended new part. Your owner's manual usually has directions for replacing the anode rod. Many homes with a water softener have replaced the anode rod with an electric powered anode rod to solve the problem.

You can also temporarily turn your water heater on "High" for several hours. This will normally heat the water to 140 degrees or higher and will kill most bacteria. Use extreme caution, as this can produce scalding hot water which can cause major injuries. Before proceeding, be sure to consult with the manufacturer or dealer regarding an operable pressure relief valve. Afterward, turn the water heater temperature back to normal and drain the water through a faucet.

Flushing the water heater with two to three pints of hydrogen peroxide (safer than bleach) will also disinfect. When completed correctly, this process can also kill most bacteria. Keep in mind this will temporarily remove the odor until the water heater sits for a long period of time, then the odor may return.

Lastly, occasionally bacteria can build up in the basin overflow. Pouring some hydrogen peroxide may help dissipate the odor.

Beach Control

Paul Barna Manager

Erin Barna Assistant Manager

Ken DeCarlo & Danielle Gethard Assistants

1400 N Ocean Ave & Boardwalk

732-793-2886 Ext# 461

The beaches will be open on Weekends and Holidays starting May 23rd from 10am-5pm. On June 25th, the beaches will be open 7 days a week. Badges for anyone 12 years of age and older can be purchased online or at the following locations:

- Daily Badges @ Beach Control Headquarters, and all bayside piers and beach entrances.
- Weekly & Seasonal Badges @ Beach Control Headquarters, Lafayette Ave, L St, H St, D St, 2nd Ave, 7th Ave, 11th Ave and bayside piers.
- Senior Badges @ Beach Control Headquarters.
- Daily and Seasonal Boat Ramp Badges @ Beach Control Headquarters and 14th Ave bayside pier.

Online badge purchases can be redeemed 7 days a week at Beach Control Headquarters. Proof of purchase is required for redemption and Identification is required for each Senior Beach Badge redemption.

New this 2015 Summer Season:

Purchase “Ice cream” and/ or “Water” at concession stands located at various locations on the beach. Look for the palm trees!

Chairs and Umbrellas can be rented at Beach Control Headquarters during regular beach operation hours.

Our staff hopes you have a wonderful, relaxing summer on the beautiful beaches of Seaside Park!

Beach Patrol

Mike Veracierta, Lifeguard Captain

Located at: N Street & Beach

Let me just start by saying the beaches don't look good....they look GREAT!!!

The Seaside Park Beach Patrol is anticipating another wonderful Summer. Many of our guards have returned and our rookies seem to be a wonderful group. The lifeguard stand locations are the same as last year. Please be aware they do “shift” north or south a bit to place themselves in front of a sandbar which promotes an ideal bathing area. Please don't hesitate to ask a lifeguard if you have any questions about the beach or swimming. Enjoy the summer!!!!

MARINE MAMMAL STRANDING INFORMATION

If you encounter a dolphin, whale, seal, or sea turtle on the beach, whether it is alive or dead, PLEASE do not touch it or attempt to help it. Call the marine mammal stranding center at 609-266-0538. You can also call the police department at 732-793-8000.

“While the sight of a helpless animal wounded or dying on the beach can be touchingly painful, and provoke feelings of frustration or “the need to help,” please be aware that in the United States it is illegal for anyone without a scientific permit to handle a marine mammal. All animals, injured or stressed, can be dangerous. Although seals appear to be harmless, they have sharp teeth and claws and can inflict a very nasty bite. They often carry viruses that can be transmitted to humans. To avoid serious injury or possible infection, stay clear of any stranded animal.”-MMS

For more information please visit:

www.marinemammalstrandingcenter.org

Recreation

Recreation: Katerina Huxel (pictured below) and Melissa Vecchiarelli

Information located at 1701 N Ocean Ave

Phone# 732-793-3700

Hours for information: Mon—Fri 8am– 4pm

Follow us on Instagram, Twitter and Facebook! @SeasidePark_NJ

Summer is here! Welcome back everyone, I have a lot planned for this summer. You can now follow us on Facebook, Instagram (SeasidePark_NJ) and Twitter (SeasidePark_NJ) to get the latest information on all of our events and camps we have this summer. The pamphlet will be available soon.

Camps!

Soccer Camp (ages 5-16) – Registration is now open!

Paddle boarding Camp (ages 8-14) – Registration is coming soon!

Junior Lifeguard Camp (ages 10-16) – Registration is coming soon!

Swimming Lessons (ages 5-10) – Registration is coming soon!

Art Classes (TBD) – Registration is coming soon!

New!

Paddleboard Clinic (ages 10+) – More information coming soon!

Paddleboard Yoga (ages 10+) – More information coming soon!

Kayak Tours (ages 7+) – More information coming soon!

Yoga (18+ unless with parent/guardian) – More information coming soon!

Zumba (18+ unless with parent/guardian) – More information coming soon!

Events!

Farmer's Market begins June 22nd and will take place on the Marina Lawn every Monday and Friday through Labor Day Weekend 10AM to 4PM!

Crabbing and Fishing Tournament (12 and under) – 5th Avenue Bay Pier every Monday beginning July 6th. More information coming soon!

Blue Claws Outing – July 24th – More information and registration coming soon!

Craft Beer Festival – August 6th – More information coming soon!

Antique Show – August 29th – More information coming soon!

Art's and Craft's Show – September 5th – More information coming soon!

Tax Collector

Tax Collector: Ann L Rice, CTC

Office Location: 1701 N Ocean Ave

Hours: Mon - Fri 8:00am to 4:00pm

Phone #: 732-793-3700

Fax # 732-793-3737

E-Mail: taxcollector@seasideparknj.org

Tax Bills are sent out once a year in the summer, with 4 payment stubs attached and the amount and date due on each stub. This is the only bill sent. Copies of previous years tax bills are not available.

The 2014-2015 Tax Bills were the color blue.

When paying each quarter please send the proper stub with your payment and write your Block & Lot number on your check. If you would like to receive a receipt for your payment, you must include a **self addressed stamped envelope with your payment.**

Please do not post date your checks, we must deposit all checks within 48 hours as per state statute. Post dated checks will be returned. We can not hold your checks!

Please use blue or black ink on your checks!

2014 Tax Rate is \$1.308

2013 Tax rate was \$1.253

2012 Tax Rate was \$1.254

Change of Address forms can be found on the web site @www.seasideparknj.org, go to Departments & Offices and choose Tax

Water & Sewer Collections

Water & Sewer Collector: Ann L Rice, CTC

Deputy Water & Sewer Collector: Antoinette Shadiack (pictured below)

Office Location: 1701 N Ocean Ave

Office hours: Monday thru Friday 8:00am to 4:00pm

Phone #732-793-3700 Fax #732-793-3737

E-Mail: taxcollector@seasideparknj.org

The minimum rate per quarter is \$210.00 per unit. The excess rate for usage over the quarterly allowance of 18000 gallons per unit, is \$14.05 per thousand gallons.

The 2nd Quarter Water & Sewer Bills will be mailed on June 1, 2015 with a due date of July 1, 2015 and a ten (10) day grace period. Your payment must be in our office by July 10th. (Post marks do not count, as per State Statute)

Please remember to return the proper stub with your payment and write your account number on your check.

The proper stub is located at the bottom part your Water & Sewer Bill with a message that states: "please detach and return bottom portion with your payment".

To have your water turned on or off for the season call #732-793-3700 for an appointment. This is a free service.

Change of Address and Water & Sewer Disconnect forms can be found on the web site [@www.seasideparknj.org](http://www.seasideparknj.org), go to Departments & Offices and choose Water & Sewer Collector, then scroll to forms.

Please do not post date your checks, we must deposit all checks within 48 hours as per state statute. Post dated checks will be returned. We can not hold your check!

Please use blue or black ink on your checks!

Water conservation tips:

Saving water at home does not require any significant cost outlay. Although there are water-saving appliances and water conservation systems such as rain barrels, drip irrigation and on-demand water heaters which are more expensive, the bulk of water saving methods can be achieved at little cost. For example, 75% of water used indoors is in the bathroom, and 25% of this is for the toilet. The average toilet uses 4 gallons per flush (gpf). You can invest in a ULF (ultra-low flush) toilet which will use only 2 gpf. But you can also install a simple tank bank, costing about \$2, which will save .8 gpf. This saves 40% of what you would save with the ULF toilet. Using simple methods like tank banks, low-flow showerheads and faucet aerators you can retrofit your home for under \$50.

By using water-saving features you can reduce your in-home water use by 35%. This means the average household, which uses 130,000 gallons per year, could save 44,00 gallons of water per year. On a daily basis, the average household, using 350 gallons per day, could save 125 gallons of water per day. The average individual, currently using 70 gallons per day, could save 25 gallons of water per day.

Zoning, Code & Construction

Located at: 4th & Central Avenues

Carol Wroblewski, TACO

732-793-5100

Hours: Monday-Friday, 8am-4pm

Gina Tumolo, Code Enforcement

732-793-5100

Monday, Tuesday, Thursday & Friday

8am to 4pm

The Office is located on the 4th Ave side of the old elementary school at Central Ave and 4th Avenues. We are open Monday thru Friday from 8am to 4pm. This office processes all Rental Permits, Zoning Permits, Mercantile Licenses, Title Transfers for re-sales, Driveway Permits, Curbs & sidewalk Permits, 4x4 Beach Buggy Permits, Garage Sale Permits and Bulk Trash Permits.

Please don't forget to get Driveway Permits and Curb & sidewalk Permits. Sometimes these permits are overlooked and it is important that they be correct. An in-

spection is needed before the pour, when the forms are ready and then, a final inspection is needed after the pour is done.

Wednesdays 8am to 4pm

Zoning Office:

Jim Anderson

732-793-5100 Ext. 312

Tuesdays 8am to 2:30pm

Thursdays 8am to 2:30pm

Congratulations are due to Gina Tumolo for completing the "Hotel, Motel and Multiple Dwelling" course successfully and receiving her license from the New Jersey State Department of Community Affairs.

Congratulations to our Fire Inspector, Ron Pizar for receiving the "Fire Inspector of the Year" award from the New Jersey State Department of Community Affairs.

Tri-Boro First Aid Squad

James Dolci, President

Marie Rice, Captain

Location: 61 J Street

Phone #732-830-3236

Emergencies Call: 911

Tri-Boro has answered 516 first aid calls from January to April 30th of this year. In preparation for the Summer, the rigs have

been serviced and extra supplies have been purchased. We have extra crews on duty during the weekends and holidays.

Events:

Bingo will be held every Friday starting June 19th. Doors open at 6pm. Games start at 7:30pm. Good food available for purchase.

The **38th Annual M. Larsen Clam Bake and Gift Auction** will be held on Saturday, July 11th, 5pm to 10pm. This event always sells out, please purchase your tickets early.

The **Annual Christmas Gift Shop and Bake Sale** will be held on Saturday, December 5th from 9am to 2pm. Santa will make an appearance. Lunch will be available for purchase. Vendors interested in participating, may call 732-830-3236 for more information.

Seaside Park Volunteer Fire Dept.

The Seaside Park Volunteer Fire Company has answered over 80 calls so far in 2015. Many of which, have been calls associated with the Central Ave Construction Project. These include such calls as, water lines and gas lines struck and power lines being pulled down.

Our boat and jet ski have been serviced and are prepared for the Summer. Speaking of water rescue, SCUBA Captain Dennis Vincent and the water rescue team would like to remind everyone to take care while swimming in the ocean. Always swim at the guarded beaches only. Remember, any water over ankle deep can have a substantial

current enough to trip someone up and get them into trouble. If you get caught in a rip current swim parallel to the beach until you're out of it before trying to swim back in. Swimming into a rip current will only tire you out quicker and make the situation worse.

Our family keeps growing here at the firehouse. We have two probationary members, Laura Wroblewski and Ryan Phillips. They will both graduate from the fire academy in June. They have been working tirelessly since entering the "Firefighter 1" program back in February. We congratulate them on their hard work.

We also have had a few members who were married this year. Lt. Steve Vierschilling wed his long time girlfriend Victoria Alterio in April and, Firefighter Kevin Gorman wed his fiancée Lauren Rosella in May. We wish the newlyweds, happiness and a wonderful life together.

Last month was daylight savings time, which was a good time to remember to change the batteries in your smoke and CO detectors. Please do so if you haven't already. While changing the batteries, always check the manufacture date on the detector head. Many people are not aware that detectors are only good for 10 years past the manufacture date. A proper detector will alert you if there is a problem and allow us to respond much quicker to an emergency. Also this Summer, please follow all safety guidelines for firing up your grills.

Please follow us on Facebook. Our page is "Seaside Park Volunteer Fire Company No. 1" for fire prevention tips, pictures, and news. Also feel free to stop in the firehouse to say hello and meet the emergency responders as well as see the equipment and take pictures.

Seaside Park Beautification Committee

On May 2, 2015 the Beautification Committee held its 3rd Annual Kentucky Derby Party at the Windjammer. Thanks to the generosity of our sponsors and community we raised just over \$800 that will support and maintain our projects within the Borough. Every dollar raised is re-invested in the Borough. The Beautification Committee continues to maintain the area around the clock and will be putting in the spring plantings on Tuesday May 19 at the clock. The Beautification committee is also partnering with the Environmental Committee with their Butterflies by the Bay project along 14th Avenue. The Beautification Committee meets the 2nd Tuesday of each month at 5:30 at the Borough Hall.

Seaside Park Environmental Advisory Committee

The Seaside Park Environmental Committee in partnership with the Seaside Park Beautification Committee will have a grand opening of a butterfly garden on Sunday May 31, 2015 at the 14th Avenue Boat Launch Area. "Seaside Park Butterflies By The Bay" is a new garden whose purpose is to aid in the migration of the Monarch Butterfly as a weigh station. The garden is made up of plantings that will feed and aid in the procreation of monarchs, which are on the endangered species list. This follows in step with State and Local legislation that has been passed within the last year recognizing the importance of the Monarch Butterfly.

The Seaside Park Environmental Committee is also currently holding its monthly speaker series. This series covers all environmental topics pertinent to our region and municipality. These events are held the 2nd Wednesday of every month beginning in April and running through October. The location is council chambers (above the Police Station) at 7:00pm. June's topic will address native plants and their importance in our community. All events are listed on the Borough website @www.seasideparknj.org.
