BOARD COMMENTS

Ms. Miller requested that we look into having gutters cleaned to help alleviate water building up on roof and coming into building through leaks. Discussion was had regarding the Board Office sale. The County Superintendent said it would be ok for us to list the property with a real estate company. It was recommended that we set a minimum bid price and tell realtors we are willing to allow a 5% commission being that we are a public-school system. The Board will contact local realtors and ask for guidance as to how we go about doing an open listing. Mrs. Korzeneski stated that she will compose a letter to send to the realtors on behalf of the Board of Education regarding the sale of the Board Office. Mrs. Korzeneski informed that as of January 1, 2019, the shared service agreement between the Lavallette and Seaside Park Code Enforcement will dissolve and only Seaside Park code enforcement will be run through the office located in our school. Mrs. Korzeneski stated that she would like to speak to members of the town council to try and get some coordination with them in getting more town involvement with using our building once the work is completed.

Ms. Miller put a motion on the table to put a bid out for roof repair. Dr. Neal seconded the motion. All members present voted Aye.
