

Residents, renters, visitors, contractors and businesses in Seaside Park are required to recycle. The items listed below must be separated from your regular garbage for curbside collection. Failure to separate these items will result in your garbage not being collected and is subject to issuance of a summons. Recycling saves Seaside Park tens of thousands of dollars every year in avoided landfill disposal fees & saves valuable resources. It's also the law, not an option. Please remember—recycling can be different in other towns. Items recyclable in one town may not be recyclable in another. If you have any questions or concerns regarding Seaside Park's recycling program, please call the Public Works Department at 732-793-5100 or email ewoj@seasideparknj.org - Thank you.
