

Notice of Construction In-Progress

Dear Neighbor,

The Borough of Seaside Park has contracted Brave Industrial Paint LLC. for the rehabilitation of the Decatur Ave Water Tower located at 129 Decatur Ave, Seaside Park, NJ 08752.

The construction work will start in the beginning of February 2024, and we anticipate the operations will be completed by June 2024, and it consists of the setup of a containment system, abrasive blasting, painting, and operation of heavy machinery. The work on weekdays will start at 8:00 a.m. and end at 6:00 p.m. and there will be work on Saturdays between 8:00 a.m. and 6:00 p.m. Although we understand this work will be causing a disturbance for the local neighborhood, unfortunately during the critical phase of the work when there is blasting and painting activities the usage of heavy machinery will be required. We request your understanding and patience during the course of this project!

We will be working tirelessly to execute the work within the proposed schedule with the intention to minimize as much as possible the duration of this project.

Please feel free to reach out to us if you have any questions or require further assistance. We are looking forward to a successful project! Thank you!

Sincerely,

Gabriel Giaculi

Brave Industrial Paint LLC.
